What sets "Being Project Leader" apart from other project management books?

It's not just another dry, academic tome. Instead, it's a practical, hands-on guide that's packed with real-world examples, case studies, and actionable advice.

Here's what you'll learn from "Being Project Leader":

- How to define and scope a project
- How to create a project plan
- How to manage a project budget
- How to manage a project team
- How to communicate effectively with stakeholders
- How to handle project risk
- How to close a project successfully

And much more!

"Being Project Leader" is more than just a book. It's a complete resource center for project leaders.

In addition to the comprehensive text, you'll also get access to:

- A downloadable project management toolkit
- A series of online video tutorials
- A discussion forum where you can connect with other project leaders

With "Being Project Leader," you'll have everything you need to succeed as a project leader.
