

Canada When The Lights Go Out: Prepare for the Worst-Case Scenario

A prolonged power outage is a serious threat that could happen to anyone, anywhere. In Canada, we are particularly vulnerable to blackouts due to our reliance on electricity for heating, cooling, and communication. A major power outage could cripple our infrastructure and leave us without essential services for days, weeks, or even months.

Canada When The Lights Go Out is a comprehensive guide to preparing for and surviving a prolonged power outage. This essential book provides step-by-step instructions on how to:
