But wait, there's more! When a mysterious and beautiful woman named Anya stumbles into their lives, the "Triple Threat" becomes the "Triple Threat Plus One." And with Anya comes a whole new set of skills and an irresistible charm that quickly disrupts the group's chaotic dynamic.

Laughter Amidst the Chaos

As the apocalypse unfolds, Lorraine's sharp wit cuts through the tension like a laser beam, leaving no sacred cow unturned. Gary's quirky inventions, from a robotic chicken to a self-driving outhouse, add an element of hilarious chaos to every situation. And Patrick's unyielding optimism, even in the face of imminent doom, will have you questioning your sanity in the best possible way.
