The German alphabet is very similar to the English alphabet, but there are a few key differences. One difference is that the letter ß is used in German to represent the sound "ss". Another difference is that the letter z is pronounced like the English letter "ts".

Learning the German alphabet is easy with the help of pictures and words. This book provides you with a comprehensive overview of the German alphabet, with each letter accompanied by a picture and a word that starts with that letter.

This book is perfect for beginners who want to learn the basics of German. With its clear and concise explanations, this book will help you to quickly and easily master the German alphabet.
