In a world increasingly divided by social, political, and cultural differences, the question of how we live together becomes more pressing than ever before. In *How Do We Live Together?*, renowned author and social commentator Dacher Keltner explores the complex challenges and opportunities of building inclusive and thriving communities.

Through a combination of personal anecdotes, scientific research, and insights from diverse perspectives, Keltner argues that empathy and compassion are the keys to bridging divides and creating a more just and harmonious world. He draws on stories of individuals and communities who have successfully navigated conflicts and built strong connections across lines of difference. He also offers practical advice for cultivating empathy and compassion in our own lives.

How Do We Live Together? is a timely and important book that offers a path forward for creating a more inclusive and just world. It is a must-read for anyone who cares about the future of our communities and our planet.
