A humorous and heartwarming memoir about a group of friends who go on a deer hunting trip in the mountains of North Carolina. Along the way, they learn valuable life lessons about friendship, family, and the importance of living in the moment.

John Gierach is a master storyteller, and in *Hunting Booger Bottom*, he takes us on a journey that is both hilarious and heartwarming. Gierach and his friends are a motley crew of characters, each with their own unique quirks and foibles. But they share a common bond: their love of the outdoors and their passion for hunting.

The group's annual deer hunting trip is a tradition that dates back many years. It's a chance for them to get away from the hustle and bustle of everyday life and spend some time in the peace and quiet of the mountains. But this year's trip is different. Gierach is facing some personal challenges, and he's not sure if he's up for the rigors of the hunt. But his friends convince him to come along, and he's glad he does.

The group's adventures in the mountains are both funny and poignant. They encounter a variety of characters, from a crusty old mountain man to a young couple on their honeymoon. They learn about the importance of perseverance, patience, and teamwork. And they come to appreciate the simple things in life, like the beauty of the natural world and the companionship of good friends.

Hunting Booger Bottom is a celebration of friendship, family, and the outdoors. It's a book that will make you laugh, cry, and think. And it's a book that will stay with you long after you've finished reading it.
