The book is divided into three parts. The first part provides an overview of the history of boxing in American cinema, from its early beginnings to its golden age in the 1930s and 1940s. The second part examines the different ways in which boxing has been used as a metaphor for American culture and society. The third part looks at the contemporary landscape of boxing in American cinema, and how it is evolving in the 21st century.

Knockout is a must-read for anyone interested in boxing, film, or American culture. It is a well-researched and engaging book that provides a unique and insightful look at one of the most iconic and enduring subjects in American cinema.
