**Set against the backdrop of the American South across generations,**

the novel follows the interconnected lives of the Bynum and Landry families, whose destinies are intertwined by a shared history of love, loss, and the enduring legacy of racial injustice.

**Ava, a young Black woman living in present-day New Orleans,**

discovers a mysterious box containing letters that reveal the hidden story of her family's past. As she delves into the correspondence, she encounters Sarah, a white woman who lived in the same house during the Jim Crow era.

**Through Ava's journey of self-discovery,** we witness the parallel struggles of these two women separated by time but united by the bonds of humanity. Sexton's evocative prose transports us to the heart of their experiences, allowing us to feel the weight of their joys and sorrows.

**As the past and present intertwine,**

the novel explores the complexities of race relations in America. Sexton delves into the insidious nature of prejudice, the corrosive effects of segregation, and the enduring power of hope amid adversity.

**The Revisioners is not just a work of historical fiction;** it is a meditation on the ways in which the past continues to shape the present. Sexton

invites us to confront the uncomfortable truths of our history and to question the narratives that we have inherited.

**But *The Revisioners* is also a story of resilience, love, and redemption.** Through the characters of Ava and Sarah, Sexton shows us that even in the darkest of times, it is possible to find light. Her characters demonstrate the transformative power of compassion, the importance of forgiveness, and the enduring strength of the human spirit.

**With its rich characters, evocative setting, and thought-provoking themes, *The Revisioners* is a novel that will linger in your mind long after you finish reading it.** Sexton's masterful storytelling invites us to reflect on our own past, to challenge our assumptions, and to embrace the possibility of a more just and equitable future.

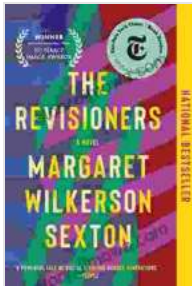

### **About the Author**

**Margaret Wilkerson Sexton is an award-winning author and professor of creative writing at Emory University.** Her previous novel, "A Kind of Freedom," was an Oprah's Book Club selection and won the National Book Critics Circle Award for Fiction.

**Sexton is a gifted storyteller with a deep understanding of the human condition.** Her work is both insightful and compassionate, and she has a remarkable ability to bring the past to life in a way that is both moving and thought-provoking.

***The Revisioners* is a must-read for anyone interested in historical fiction, race relations, or the power of storytelling.** Sexton's novel is a beautifully written and emotionally resonant exploration of the complexities

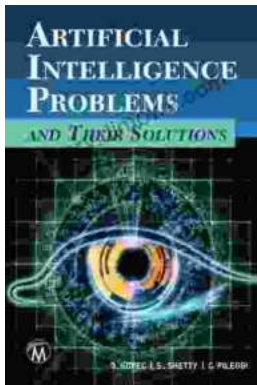

of the human experience. It is a book that will stay with you long after you finish reading it.
